

# THE PARK STUDENT

That those who leave the buildings and grounds of Park College this June, of 1944, might take with them some tangible record of their life and activities while at Park, and that those who remain might have an account of the events of the spring term in 1944, the *Stylus* staff issues this booklet in commemoration of Park life under wartime conditions.

## THE PARK STYLUS

VOLUME XLVIII                    NUMBER 40  
*Parkville, Mo. — June 16, 1944*

---

Entered as second class matter at the postoffice at Parkville, Missouri, under the Act of March 3, 1879.

Published weekly, except school holidays, during the school year by the Civilian and Naval V-12 students of Park College, at the Park College Press, Parkville, Missouri

**SPECIAL SPRING TERM EDITION OF THE PARK STYLUS**

THE ADMINISTRATION, left to right, Mrs. F. McKittrick, assistant director of student personnel; Mr. D. M. Knight, business manager; Dr. W. F. Sanders, dean of the college; Mr. N. R. Fielder, director, division of industrial work.

DR. FREDERICK W. HAWLEY  
Acting President  
Took office January, 1944

DR. CHARLES W. CANNON

FORMERLY dean of men, Dr. Cannon now holds the title of director of student personnel under the new system which abolished the offices of the social deans. He is assisted in personnel work by Mrs. F. McKittrick.

## THE COLLEGE ADMINISTRATION

UNDER the stress and strain of completely reorganizing the educational program of Park to meet the needs of the present world emergency, Park's administration has kept on the job in retaining those things which have made the college the fine school it always has been, but discarding those things which are no longer applicable in a world at war. Sacrifice and postponement of some desired factors in Park life were necessary, but the administration has done its best and a very good best it was.

# Personality King and Queen

## THE QUEEN

**HELEN PIPER** — Graciously has presided over Herr House this year — a staunch defender of her major, psychology — renowned as a clever seamstress — awaiting with eagerness graduation day so she can join her family in their new California home.

## THE KING

**JAY CANTWELL** — A sociology major and a Navy man who is truly a Parkite in spirit — we'll remember him as drum major of the band and instigator of the successful Happy Hour — with cohorts Herrick and Covey, he has done much to enliven campus life.

## *The Graduates of 1944 Predict Their Future*

### WHO'S WHO OF 1964:

*Cynthia Shoens*, Park College, '44 — has fought and fought to keep the wolf from the door — Walt's out traveling with a hot swing band — Cyn stays home to keep the li'l "Silvertacks" well in hand.

*Helene Piper* — (we knew her as Helen) has a Helicopter Beauty Salon, where the secrets of poisonality and charm she's busily sellin'.

*Min Morrow* was rather "Curt" in 1944 — now she's married to J. Moneybags Million and finds that society is really an awful, awful bore.

Flash! A television report from the South Seas has just proclaimed the greatest scientific discovery of the age. Professors *James Robinson*, *Eva Hannum*, *Robert Abercrombie*, and *Flossie Helmke*, all graduates of Park College, '44, have discovered that there is hidden meaning in the native dances of the islands of this area.

*Jeanne Hemstreet* displayed great elocutionary talent when she appeared in the Pirate Pin-Ups of 1944 — she's now reciting on a world-wide tour.

After extensive study *Doctorah Howell* has become one of the leading veterinarians of New York City, specializing in the psychiatric treatment of nervous race-horses.

Park College library is now under the supervision of *Roberta Lupton*. "Luppy" as she was known in her collegiate daze, informs us that the new inter-building televi-

sor system at Park is enabling the housemothers to assure themselves the library permits are being used for study.

Sympathy must be extended to *Luz Doris Rosa Rose Shannahan Morgan O'Leary Turner Diaz* in the loss of her sixth husband.

*Gervase Zanotti* played his farewell recital last night. Steinway and Company regret his retirement as his piano destroying method greatly increased the piano business.

In musical circles *Carol Seay* and *Dorothy Holmes* are now appearing at the Folly Theater selling candy.

Professor *Harold Parker* sends word that his wife, *Jean Wolfe*, '44, is working on a scientific diet for him.

*Sue Newell* sends word that she is working as a hula dancer in Garrities super-carnival sideshow. *Helen Griffith* is working as cashier with the same unit.

*Louann Reid*'s new husband, *Dave Larson*, has assured her that she can sleep as late as she wishes and soak for hours in the bathtub.

*Ethel Metheny* and *Lucia Peterson* are working in Loew's Midland as chewing gum scraper-offers.

*Marjorie Barker* is president of the Abner Yokum Benevolent Association, raising funds with a speech tour.

*Jay Cantwell* is hunting wild bores in the sociology classrooms of United States colleges and finding many.

*Mary Helen Wharton* is now a leading stylist in Saks on Fifth Avenue, New York.

# TR A I N E E S P O R T S

NAVAL athletics are in the form of inter-barracks competition for the volleyball and softball seasons. Teams organized by the fellows are registered with the athletic officer

who plans the season with the aid of the athletics specialists in the V-12 unit. It is regrettable that no photographs of the trainees' sports were available for this edition.

## Copley Hot Shots and Nickel Nippers Victors in Barracks Volleyball

WINNERS of the naval volleyball elimination tournament were the Copley-Thaw Hot Shots, coached by Specialist Anthony Montalbano. Undefeated during the entire season of play, the Hot Shots played their final game with the Chesnut Dubs; the Dubs taking the first game, 15-5, with the Hot Shots taking the next two, 15-3 and 15-9, to win the set and the title. Teams of the inter-barracks

league had nine men in order to enable more trainees to participate in the competition. Ten point games were the usual rule to save time. Members of the championship team were Walter Marquard, captain; Thomas Collins, Kenna Farris, Arthur Greathead, Howard Gotelli, Peter B. Hill, Russell Jones, James Locker, and Jerry Whalen. Winners of the consolation bracket were the Nippers, a team of men from Nickel barracks.

## Bobby Layman Wins Cross-Country

IN PARK's annual cross-country run, Bobby Layman, Woodward V-12er, finished first with the time of 17 minutes and 50 seconds over the 2.6 mile course. Clifford Reeves placed second with Emil Vranich third. Reeves is a Chesnut man, while Vranich hails from Copley-Thaw. Other naval participants were John Vasse, Copley; Marian Rushing, Woodward; James Rippey, Woodward; and Bill Hagerty, Chesnut, who placed in that order. Civilian entrants in the meet were Carlos Reynales, Parchie, who placed fourth, and William Yamamoto who came in last.

## Trainee Swimmers Place In K. C. A. C. Open Meet

Park's V-12 swimming team, composed of Paul Banks, Peter Hill, Jim Rehberger, and Charles Mayer, qualified for the finals in the 200 yard free-style relay and the 150 yard medley relay, placing fifth in the latter in an open meet at the Kansas City Athletic Club, Saturday, May 13.

## Copley Sluggers Blank Stragglers; W. Eager Beavers Take Game

SOFTBALL finds two leagues organized — the American league composed of Chesnut and Woodward teams, and the National league composed of Copley and Nickel teams. As we go to press, the season is not yet complete, but has been shortened to permit completion before the seniors graduate. Only undefeated teams will play in the finals, with the Copley Sluggers being the favorites in the National league over the Copley Goldbricks and Copley Ram Rods. Most promising contenders for the American league championship are the Woodward Eager Beavers, who will compete with the Chesnut Gobs, Woodward Dirty Socks, and Woodward Blues, all of whom are undefeated.

# Get In There And Fight!

## VOLLEYBALL

Captaining the champion Calliopean volleyball team was Mary "Skip" Shannon, who edged up on the early lead held by the Auroras to take the title with some fine teamwork and cooperation. Statistics on the season show the Auroras under "Bobbie" Watson taking second place, while Marj Olsen's inexperienced but hard-fighting Lucernes finished in the cellar.

	W	L
Calliopeans	17	7
Auroras	15	9
Lucernes	4	20

Volleyball all-stars (see picture above) defeated an all-school team in a three game post-season set.

## SOFTBALL

Softball saw the Calliopeans again taking the title, although the season was halted at the two-thirds mark by bad weather. Improved playing by all teams made the last games superior to the first error-filled contests. The Callios took the championship by one game; the Auroras in second place, while inexperience held the Lucernes in the cellar. All-stars for the season were as follows: Doris Glidden, Lucerne; Gladys Hart, Aurora; Yvonne Runnels, Callio; Dorothy King, Aurora; Jerrie McComb, Aurora; Joyce Lafoon, Aurora; Yvonne Grigg, Callio; Ann Harwood, Lucerne; Joan Gant, Callio; Pat Rankin, Callio; listed in order of votes received.

Auroras	2	2

## VOLLEYBALL

WITH the Parchies out of the running because of lack of teamwork and new players, the Lowells and Orions ran a neck and neck race through the men's volleyball season, with the men of the Green and White taking the title by a one game margin. In a post season game, the champion Orions bowed to the Copley-Thaw Hot Shots, winners of the trainee inter-barracks competition.

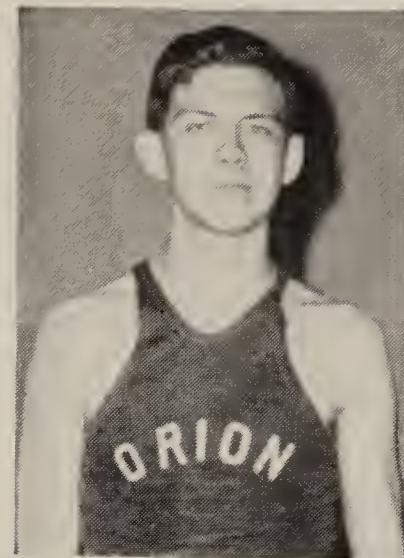

VOLLEYBALL all-stars were elected by participants in the tournament play from all three club teams. Members of the dream-team took a three game set from the Hot Shot trainee team, winning the first two, 15-11 and 15-10.

# Play Ball!

## SOFTBALL

BECAUSE of the dearth of manpower on the campus, members of the boys' clubs organized one softball team from the membership of all three clubs. This team opposes teams from the naval inter-barracks league. After losing the first game and tying one, the fellows began to click as a team, putting up a good fight and winning a few contests.
